Replica ILCA sails or spars may be permitted provided their measurements fall within ILCA Class limits.

In the event of a conflict between this NOR and the Sailing Instructions, the Sailing Instructions shall take precedence.

3. **Classes:**

Racing will be for ILCA 7, 6 and 4 and PY handicap classes. Racing will be provided for the PY handicap class subject to a minimum of 6 entries having been received by midnight on March 8th. Dinghy classes without a PY handicap are eligible to race, subject to sufficient entries.

4. **Eligibility:**

The event is open to all sailors. Juniors are defined as those under 19 on the 1st January 2024.

9. **Race Area:**

The race area for the start / finish of the Round the Island will be north of Howth Harbour and West of Ireland's Eye.

10. **Schedule:**
Racing will take place on Sunday 5th November 2023. The first Warning Signal is at 1055. Subject to the conditions on the day, the intention is to sail two races, a race in Howth Sound followed by the RTIR. The OA reserves the right to adjust the Race Schedule to suit the conditions.
11. **Courses:**
The course(s) will be detailed in the Sailing Instructions.
12. **Equipment:**
All boats shall have a painter at least 3 metres in length, made fast to the bow.
Each boat shall show a distinguishing number on each side of her mainsail in accordance with her Class rules, which shall be the same number as declared on the Entry Form.
- Should a boat wish to change its sail number from that on the Entry Form, written notice shall be given to the Race Officer before the warning signal of that race. **Failure to comply with this requirement may result in the boat's disqualification.** This changes RRS 63.1.
13. **Results:**
The RTIR race results will be the results for the race sailed around Ireland's Eye. In the event of conditions preventing a Class (or Classes) racing around the Island, the results shall be based on the results of the last race of the day, even if that race is the only one on the day.
- Class results shall be provided for each ILCA rig size (4, 6 and 7) and for PY classes.
- Results for the PY handicap class shall be based on the latest handicap numbers published by the RYA or, where a Class does not have a published PY number, as otherwise sourced by the OA.
14. **Scoring and Prizes:**
Scoring shall be as per Racing Rules of Sailing Appendix A4, low points system. No discards will be allowed.
- The Prizegiving will take place in Howth Yacht Club on Sunday, 5th November 2023 as soon as is possible after racing.
- Prizes will be awarded at the discretion of the organising authority.
15. **Competitor Responsibilities:**
It is the responsibility of competitor(s) to decide whether or not to sail in such conditions as may prevail or may be forecast. Competitors are reminded that they sail entirely at their own risk, and of RRS Fundamental Rule 4 'Decision to Race'.
- The attention of each competitor is drawn to the potential dangers of sailing at this time of the year and should bear in mind that the series is a winter event in which wind chill, water temperature and weather conditions can quickly induce fatigue. Each competitor shall wear a buoyancy aid and suitable protective clothing at all times and RRS 40.1 shall apply. Wetsuits will not be recognised as personal buoyancy. Competitors must be aware of the Irish Sailing Safety Guidelines and its recommendations.
- Each participating boat must be insured with adequate, valid, third-party cover, which must be inclusive of a racing risks extension.
16. **Temporary Membership:**
All Competitors are granted temporary membership of Howth Yacht Club on racing days. Club facilities are not available to non-member participants at any other time.
- Boats competing in the event, together with their trailers, **MUST** be removed from the premises of Howth YC on the day of the event unless participating in the 2023/2024 HYC Dinghy Frostbite Series.
