PY Dinghy Class

Sailing Instructions Change no. 3

6.2

SI 6.2 is amended as follows: Where the number of races sailed falls behind schedule due to adverse weather, the Race Committee reserves the right to run up to 3 races per day to address the shortfall. Where this is intended, an emailed notice will be circulated to all competitors who have provided an email address, and a message will be posted in the Event Whatsapp group. This will be done no later than Friday midnight prior to the day it is planned to hold an additional race. The change will be posted on the noticeboard before racing on the day of the additional race. This will be deemed to be adequate notice.

Old wording: Where the number of races sailed falls behind schedule due to adverse weather, the Race Committee reserves the right to run up to 3 races per day to address the shortfall. Where this is intended, in addition to posting a change on the notice board, an emailed notice will be circulated to all competitors who have provided an email address. This will be done no later than Friday midnight prior to the day it is planned to hold an additional race. This will be deemed to be adequate notice.

8.3

SI 8.3 is amended as follows: If the decision is made to start all single-handed ILCA classes together, Code Flag E will replace the Class flags of the individual ILCA Classes. When shortening races in accordance with SI 14, individual ILCA fleets may be shortened by displaying their Class flag along with the relevant 'shortened course' signals.

Previous wording: If the decision is made to start all single-handed ILCA classes together, Code Flag E will replace the Class flags of the individual ILCA Classes.
