We intend to run three, 15-minute races, and will coach the fleet around the course if required. It will be a triangular course outside Aqua, so easy viewing for any land-based parents. They should be finished racing at 20:00 and ready to go home within 45 minutes.

It is very important that parents confirm in advance by **12 noon on the day of racing** to the below email, that your child will be participating, ensuring that we have adequate rescue cover. Priority will be given to those who have booked. Confirm attendance weekly to optimists@hyc.ie
