1.3 Boats competing in Class 4 and Class 5, in both IRC and ECHO divisions, shall be subject to the following headsail rule:
Boats shall use only one headsail at any time (i.e. drop one headsail before setting another). This changes RRS 50.1.

2. Measurement –

A measurer(s) competent in the measurement of boats in each one design class and handicap system may be appointed by the Organising Authority to the Race Committee. 3. Notice to Competitors –

5. Signals Made Ashore –

Signals made ashore will be displayed on the flagpole at the top of the marina bridge. When flag AP is displayed ashore “one minute” is replaced with “not less than 45 minutes” in race signal AP. It is intended to hold a "Passage Type" race on Saturday, 1st October for both Offshore and Inshore fleets.

The results of these races will NOT count towards the overall results of the Autumn League.

Sailing Instructions for these races will be communicated to all entrants on or before Friday 30th September.

- 6.5 The type of course to be sailed each day will be determined by the Race Committee and will be communicated to sailors by means of a signal made ashore on the flag pole at the top of the marina bridge and will be repeated on the committee boat.
ICF "R" will indicate that a "Round the Cans" race will be sailed.
ICF "W" will indicate that a Windward/Leeward race will be sailed.
This signal will be displayed not less than 2 hours before the Warning Signal.
Both fleets will sail the same type of course on each day.
