01 December 2014

Dear Brian,

I can hardly believe it's been just 6 weeks since the final race day of the Autumn League... how time flies! I have been meaning to write as I wanted to thank you and the club for a really enjoyable six weeks and in particular for the warm welcome the MSL Park Motors team received from the club and its members throughout the event. It was a pleasure to be part of the Autumn League and we very much look forward to next year's event.

At the sponsorship debrief meeting we discussed putting in place a special offer for club members. If you recall we had discussed offering members extended test drives (of up to one week). Well, I am delighted to let you know that in addition to this we now have approval to provide members with a €500 discount off new and used Mercedes-Benz. Furthermore, our Service Centre (MSL Service Centre North Dublin) has agreed to provide a 10% discount off vehicle servicing to all club members. Over the next week we will be putting together an info piece for members however, these concessions are available to club members immediately.

MSL Park Motors also have franchises for Hyundai, Mazda, Skoda. While my remit is solely Mercedes-Benz if I can be of any assistance to members who may be interested in these brands or indeed a used car I would be delighted to of help and will ensure HYC members are very well looked after.

We plan to pop in to the club for lunch over the next week or so hopefully we might catch up then otherwise, have a fantastic Christmas and we will talk in the early New Year.

All the best,

Dean Fullston
