HOWTH YACHT CLUB

the corporate opportunity

Introduction

- Take...** one of Ireland's biggest and longest established sailing clubs
- Add...** in a modern clubhouse, facilities and equipment
- Mix...** with a wide choice of corporate partnership benefits
- Stir...** in a variety of appealing activities afloat and ashore...

...and you have the recipe for success in promoting your business to customers, staff and the general public in an innovative, unique and exciting way!

Howth Yacht Club - offering businesses the opportunity for valuable sports sponsorship as well as corporate partnership which can be utilised for bespoke events such as product/brand launches, team-building days and customer relations exercises.

HYC - background

One of Ireland's biggest sailing clubs, Howth Yacht Club is also one of the longest established, dating back to 1895, and today has some 1,500 members who enjoy year-round sailing and state-of-the-art facilities.

These include a distinctive Continental-style clubhouse with panoramic views, modern changing and showering amenities, a 300-boat marina and a large boat-park.

Winner of the Irish 'Sailing Club of the Year' Award on three occasions and regarded as one of the premier racing clubs on the Irish sailing scene, HYC is highly active at all levels of the sport and its members have won numerous national and international championships.

Family membership is a central core of the club, which has a large number of junior members as a result.

Junior and adult sail training is an important element within the club and members are encouraged to sail and/or race in a variety of dinghies and keelboats.

Howth is acknowledged as one of Europe's most outstanding sailing event locations and HYC has previously hosted seven World and European Championships in the past, and countless regional, national and international events over the years.

In June 2018, HYC introduced its first 3-day Wave Regatta as a biennial event, considered by all competitors as a resounding success.

The Club has gained a reputation as an ideal location for dinners, presentations, meetings, special occasions such as weddings and anniversaries, and as a venue with a difference for corporate events such as management team meetings and product launches.

HYC would now like to offer you and your business partners the opportunity to avail of these outstanding facilities through a variety of corporate options.
