

Putting Smiles on Kid's Faces

Howth 29th June 2014

Water Activity
11am to 2pm

Variety - The Children's Charity, is a charitable organisation with volunteers dedicated to raising funds for children with special needs.

For the **third** time we are bringing the "Boat for Hope" to children in Ireland.

Our aim is to share a boating experience with children who have special needs and raise funds for their comfort and benefit. The day begins with our special young guests, dressed as pirates, departing Howth Marina for a private adventure on the high seas.

On returning ashore the young Pirates will confront clowns & entertainment while enjoying a BBQ lunch. It will be a fun day for all their families & carers. Volunteers welcome.

Because not every child's life is smooth sailing
