

RS FEVA CLINIC

MONDAY 25TH TO WEDNESDAY 27TH JUNE 11-4PM

**Do you think you would like to sail a Feva with a friend of yours?
We have a three day clinic being run by Alex Start in advance of the Feva
Nationals. You can do one, two or three of the days. Why not try it for
both racing and fun on the water?**

Enquiries to: William/Sara Lacy (087) 0505542 /(087) 2461424

The RS Feva is an international class double handed dinghy perfect as a transition from the Optimist and to further develop sailing and racing skills, especially on progression to dinghies such as 29er, 49er, RS 200 & RS 400. The Feva is fast, fun and exciting and can also be a good compliment to sailing single handers such as Toppers and Lasers.
