- 5.4 A copy of the IRC certificate for each boat entered in an IRC Class shall be emailed to Results@HYC.ie at the time the boat is entered.
- 5.5 Classes 1, 2, 3 and Non Spinnaker Cruisers are automatically eligible for the ECHO division providing the boat is included on the current Irish Sailing ECHO list. Where a boat does not have an ECHO TCF the OA will allocate an initial number to it.

7. SAIL NUMBERS/ IDENTIFICATION

- 7.1 Each boat shall show a distinguishing number on its spinnaker and on each side of its mainsail, which shall be the same number as declared on the entry details (unless otherwise required by the relevant One Design Class rules). - 7.2 Should a boat wish to change its sail number for a race from that declared at the time of entering, written notice shall be given to the Race Officer before the Warning Signal of that race. **Failure to comply with this requirement may result in the boat's disqualification.** This changes RRS 63.1.
- 7.3 Classes 1, 2, 3 and Non Spinnaker Cruiser shall fly the relevant class numeral pennant from the backstay. **Any boat not doing so shall be scored DNS.** This changes RRS 63.1. (Not applicable to J80s)

- 8.1 The following handicap data shall be used: **Cruiser Classes 1, 2, 3 and Non Spinnaker Cruisers (4 & 5):**

ECHO: ECHO ratings to be used shall be applied to all boats at the commencement of the series. (see also 8.2(b))

Boats from fleets outside of Howth shall be given an initial "special" ECHO rating that will naturally adjust by the Progressive ECHO Calculation thereafter.

IRC: TCC values of current certificate.

One Design: Current handicap as notified by the Class Captain.

- 8.2 There may be updating of handicaps during the series, as follows: -
- (a) Revision of ECHO/ One Design Handicap should there be any material change to the boat including a change in helm or crew.
- (b) ECHO / One Design handicaps may be revised during the series at the discretion of the Autumn League Handicapping Committee, who reserve the right to allocate handicapped boats to any Class and to decide handicaps. Owners are advised to check the Official Notice Board for class and handicap information.

IRC handicap, as declared at the start of the series, shall remain in force for the series. A copy of the current IRC certificate shall be available on board for inspection as provided for within the IRC rules. IRC certificates shall not be dated later than Sept 11th 2019.

9. ECHO/ IRC CLASS DIVISIONS

9.1 Handicap Cruiser Class assignments will be made according to entries received. The entries for the Cruiser IRC and ECHO divisions will be split into a minimum of three Classes named Cruisers 1, 2, 3. If entries warrant, the number of Classes may be increased. Non-spinnaker entries will be split into two Classes.

The allocation of boats to Classes will be determined by the OA on receipt of the entries, having regard to the following criteria:

- i) The need for a reasonable number of boats in each Class.
- ii) Having as close a spread as possible in the range of handicaps in each Class.

The allocation of entries into provisional Classes will be posted on the HYC website by 1700 on Tuesday Sept 10th, 2019.

The OA reserves the absolute discretion, in the interests of fair sailing for all competitors, to allocate any boat to any Class.

9.2 Boats rating 0.010 or less below the lower limit for inclusion in the next fastest Class may request permission to move up to the Class above where their handicap would place them and race using the lower limit rating of that Class as their TCF, subject to its review during the series where an ECHO TCF is involved. Application must be made in writing/email to results@HYC.ie by 1700 on Thursday Sept 12th, 2019 for approval to change Class. The decision of the OA is final and not subject to appeal.

9.3 Boats shall display class numerals 0-5, as appropriate to their Class allocation, on their backstays.

10.1 Race prizes will be awarded to the winner of each Class of the Autumn League and will be presented as soon as possible after racing on the following week. Prizes for racing on the final day will be presented on that day.

The boat with the highest score will be the winner.

10.4 **Olympus Team Trophy**

This prize shall be for teams of three boats that are racing under IRC / Scratch subject to there being a minimum of six entries for the Class that any team member is competing in. Any combination of boats from any IRC and or Scratch Division is acceptable providing boats are not from the same Class. No boat shall be a member of more than one team. Following the final race of the Autumn League and taking into account discards, the combined scores of the three boats from the full series shall apply and the winning team will be that with the lowest total number of points.
