Sailing Instructions – Amendment 2

Change to Race Schedule

SI 4.4 is hereby amended to remove the restriction on the Race Committee running additional races each day but **the maximum number of races sailed per day remains as five in accordance with SI 4.5 and the maximum for the event remains as nine.**

Where races additional to those scheduled are being run, the provisions of SI 4.4 will apply with respect to displaying ICF R at the finish of (a) the last scheduled race of the day and (b) any later races that are to be followed by another race.

If weather conditions allow, more than the scheduled three races will be attempted on both June 20th and 21st.

Signed:

A handwritten signature in black ink, appearing to read "Neil Murphy".
